AGREEMENT

THIS AGREEMENT, entered into this day of A.D. 2014, by and between the Town of Middletown, Rhode Island, hereinafter referred to as the “Town” and Teamsters Local Union No. 251, affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America, hereinafter referred to as the “Union.”

PRINCIPLES

This Agreement is entered into to facilitate the adjustment of grievances and disputes between the Town and Employees and to establish necessary procedures for the amicable adjustment of all disputes that may arise between the Town and Union.

The Town and Union encourage the highest possible degree of practical, friendly and cooperative relationships between the respective representatives at all levels. Officials of the Town and Union realize that this goal depends primarily upon cooperative attitudes between people in their respective organizations at all levels of responsibility and that proper attitudes must be based on full understanding of and regard for the respective rights and responsibilities of both the Town and the Employees.

There shall be no discrimination against any employee(s) by reason of race, color, creed, sex, age or Union membership or political beliefs or activities.

All references to employees in this Agreement designate both sexes and wherever the female/male gender is used, it shall be construed to include male and female employees.

ARTICLE I. RIGHTS OF MANAGEMENT

Except to the extent as contained in this Agreement and express and specific provision to the contrary, all of the authority, powers, rights, jurisdiction and responsibilities of the Town are retained by and reserved exclusively to the employer, including but not limited to: the rights to manage the affairs of the Town; to maintain and improve the efficiency of its operation; to determine the methods, means, processes and personnel by which its operations are to be conducted, including the contracting of any work; to determine the schedules and hours of work and the assignment of employees to work; to establish new job classifications and job duties and functions; to change, reassign, abolish, combine and divide existing job classifications for all jobs; to require from each employee the efficient utilization of his or her services; to relieve employees from duty because of lack of work or other legitimate reasons; to promulgate and enforce reasonable rules and regulations pertaining to operations and employees; to require an employee, based upon a valid reason, to submit to a physical examination by a physician of the Town’s choice and at the Town’s expense; and to take whatever action may be conducive to carrying out the mission of the department.

ARTICLE II. UNION RECOGNITION AND SECURITY

Section 1.

The Town hereby recognizes and acknowledges that the Union is the exclusive representative of all employees in the classifications and categories of work covered by this Agreement for the purpose of collective bargaining as provided by the Rhode Island State Labor Relations Act of 1941, as amended,

and so certified after election conducted by the Rhode Island State labor Relations Board in Case No. EE3364 in those classifications as follows:

All employees of the Public Works Department of the Town of Middletown excluding supervisors which shall be deemed to include the Director of the Department, Deputy Directors and any other employees in a supervisory capacity.

Whenever used in this Agreement, the terms “member” or “employee” shall have the same meaning, which is: active, full-time, permanent, paid employees within the categories set forth above within the bargaining unit employed by the Town. Individuals who are on leave of absence, or absent for active military service, shall be entitled to none of the benefits of this Agreement except to the extent they are expressly granted eligibility for certain benefits in other sections of this Agreement or as may otherwise be provided for by law.

Section 2.

All employees who, on the effective date of this Agreement, are members of the Union and all employees who shall become members thereafter, shall, as a condition of employment, maintain their membership in good standing to the extent of paying the periodic dues uniformly required as a condition of the Union membership.

Section 3.

Any employee choosing not to become a member of the Union, shall, in accordance with law and as a condition of employment, pay lawfully permissible monthly service fees to the Union. Such monthly service fees shall be payable at the same time and in the same manner as members' union dues. All new employees shall become and remain members in good standing of the Union, or shall pay monthly service fees to the Union as provided above, after thirty (30) calendar days of employment.

Section 4.

Failure of any employee to maintain membership or pay the service charge required of non-members in accordance with the terms of this Agreement, shall be considered grounds for dismissal and, upon notification by the Union of such failure on the part of any employee, Town agrees to discharge such employee, provided, however, that nothing contained herein shall be construed so as to place any obligation upon the Town to discharge any employee for failure to maintain membership in the Union, if the membership was terminated for reasons other than the failure of the employees to tender the periodic dues and initiation fees uniformly required as a condition of maintaining membership.

Section 5.

Town shall deduct from the current wages of employees, in accordance with the express terms of a signed authorization to do so, the bi-weekly dues of the Union or service charges provided herein. Such deductions shall be made each pay period for which they are due and shall be forwarded to the Secretary-Treasurer of the Union monthly, together with a list of employees for whom dues have been deducted in a form substantially similar to Exhibit A, attached hereto. If any employee has no earnings due for that paycheck, Union shall be responsible for collecting said dues. Union shall give the Town thirty (30) days

notice of any change in the amount of uniform dues to be deducted and there shall be no more than two (2) such changes in any contract year.

Section 6.

Union shall indemnify, defend and save the Town harmless against any and all claims, demands, suits or other forms of liability and for all legal costs that shall arise out of or by reason of action taken by the Town in complying with the provisions of this Article. At the expiration of a leave without pay, the employee shall be reinstated to the position he vacated or to any other position in the same classification. If this is not possible, he shall be transferred to another position for which he is qualified.

Approved leave without pay shall not constitute a break in service for the purposes of seniority but shall not be deemed to be credited service for pension purposes. Failure on the part of the employee to report promptly at the expiration of leave without pay shall be cause for dismissal. Arbitration proceedings shall be in accordance with the AAA's voluntary arbitration rules. The Arbitrator shall render a decision within thirty (30) days from the date of the conclusion of the hearings.

Its jurisdiction shall be confined to a determination of the provision or provisions of this Agreement specifically enumerated in the written grievance. The decision of the Arbitrator shall be final and binding upon all parties to this Agreement. Costs and expenses of the Arbitrator shall be shared equally by the parties.

C. The time limits set forth herein may be extended by mutual consent. Should the Town fail to comply with the applicable time limits herein, the grievance will be deemed denied and Local 251 may proceed immediately to the next step.

D.
