RE: Availability of Water Service
Aquidneck Avenue AP114, L507, Middletown

Dear Mr. Russell,

The Department of Utilities has reviewed the referenced request pertaining Aquidneck Avenue, Middletown AP 114, Lot 507 as proposed per your February 15, 2021 correspondence. The Aquidneck Avenue parcel currently is not a customer of the Newport Water Division (NWD). The purpose of this letter is to advise you that water service can be accommodated for the proposed improvements to the property. Water service will require excavation in Aquidneck Avenue for a new connection to NWD's water main.

Please be advised that this letter does **not** constitute approval of any aspect of the actual water service connections including size and location as shown on the proposed site plan.

Very Truly Yours,

Julia A. Forgue
