

Cultivation Center Allowable Locations - Marijuana Zoning Ordinance

2/26/2021

-  Buildings
-  Airport Property
-  Allowable Area (Light Industrial)
-  Not allowable

This map depicts the area where a marijuana cultivation center could be located, subject to a special use permit and other restrictions in the proposed ordinance. Allowable areas are 1) in the LI district 2) greater than 200ft from a house of worship, park, playground, play field, youth center, or day-care property line 3) greater than 100ft from a residential zone or use property line, and 4) greater than 1,000ft from a school property line (Oliphant Admin building is included).

DRAFT

This map does not depict a comprehensive list of places where children congregate or houses of worship or residential uses outside of residential zones.
