RE: AP 107SE/ Lot 403 Proposed Valley Road Self-Storage

The intent of this letter is to issue a Conditional Approval to connect to the Town Public Sewer System for AP107SE/Lot 403 subject to the following:

1. The design and installation of the service connection shall be in accordance with Town Rules & Regulations. Any additional engineering, design and construction requirements as determined by the Town. Review by RIDEM regarding sewer system capacity if applicable. Review by Middletown Town Council if applicable.
2. Sewer Permit Inspection Fee(s).
